“ Jimmy and I called each other "Rock" trust me it's a long story. He was in the electric shop I was in coal handling. He ask me If I traced out the number on the coal cars that came into Hammond. I would tell him why look at prints in the electric shop because I knew he could not read, they had to put him with someone that could. We had fun kidding each other every time we got around each other. I shall miss him. To the Family I share in your loss my condolence to the family

“ Please allow me to offer my condolences to the, Waggoner family, with these comforting words: "With that I heard a loud voice from the throne say: "Look! The tent of God is with mankind, and he will reside with them, and they will be his peoples. And God himself will be with them. And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." And the One seated on the throne said: "Look! I am making all things new." Also, he says: "Write, for these words are faithful and true." - Rev. 21:3-5. This is the hope of the resurrection. I am very sorry for your loss. May God's Word comfort you and your family. Sincerely, Meryl
